**TERMS**

The above information is for the purpose of obtaining credit and is warranted to be true. Silvertip Propane ("STP") and its representatives are hereby authorized, to investigate the references listed and to contact the Credit Bureau and any other sources pertaining to the credit and financial responsibility of the Applicant and the undersigned Owner(s) of the Applicant (the Applicant and the Owner(s) are collectively, the "Debtor").

The Debtor will assume all obligations for prompt payment. The Debtor agrees that all indebtedness is due and payable on or before the 30th of the month following delivery and is considered past due by the 1st. The Debtor agrees that the Applicant's account is subject to being placed on Cash on Delivery (C.O.D.) terms of sale, if not paid in full after 30 days from the end of month statement date. All past due invoices are subject to a finance charge equal to Eighteen Percent (18%) per annum on outstanding past due balances as of the 30th of each month. The Debtor hereby authorizes such a charge and agrees to pay all finance charges the same as any other indebtedness.

The Debtor agrees that should STP place the Applicant's account for collection, the Debtor shall personally be obligated to pay all costs of collection, including collection agency fees, reasonable attorney's fees and costs/expenses of any legal proceedings. The laws of jurisdiction in which this document was executed (excluding conflict of laws rules) shall govern this document.

The Owner(s) do hereby personally guarantee the Applicant's indebtedness to STP, however arising, and including without limitation all indebtedness arising out of the sale of Propane, First Stage Regulators and/or the furnishing of services by STP. The Owner(s) understand that this is a continuing guaranty covering all current and future advances of credit to the Applicant, and that it is a guaranty of payment and not collection. The Owner(s), waive notice of this guaranty by STP and all extensions of credit to the Applicant. The Owner(s) further waive presentment and demand for payment of the debt, protest and notice of dishonor or default to any party with respect to the debt or any security therefore, and demand for payment. The Owner(s) consent to, and authorize, the use by STP and its representatives of (i) a non-business consumer credit report on Owner(s) as a principal(s), proprietor(s) and/or guarantor(s) in connection with the extension of business credit as contemplated by this credit application, and (ii) a consumer credit report on the Owner(s) from time to time in connection with the extension or continuation of the business credit represented by this credit application. The Owner(s) consent to the use of such credit reports consistent with the Federal Fair Credit Reporting Act as contained in 15 U.S.C. @ 1681 et seq.
